ANGEL TREE®
A Program of Prison Fellowship

Help Families Stay Connected with Angel Tree's Letter-Writing Club!

At Christmas we joined Angel Tree® to deliver a gift, the Gospel, and a personal message to children on behalf of their parents in prison. Now, we have the opportunity help those children stay in touch with their incarcerated moms and dads throughout the year.

So we are forming an Angel Tree Letter-Writing Club. And you can help!

All children who participate will get their very own letter-writing kit—which includes letter ideas and other special activities.

They will also get to come to special letter-writing parties. It's a fun way to get them into the habit of writing regularly. And it will also give them more exposure to the love of Jesus Christ.

Our first letter-writing party is on _____ .

There are several ways to help!

- Join us at the party to help children write their letters.
- Plan and facilitate "ice breaker" activities.
- Provide light snacks for the party.
- Provide transportation for children who need it.
- Share the Gospel message at the party.
- Donate greeting cards (with envelopes).
- Donate first-class stamps.

If you can help, please call _____ at _____ .

Volunteer name Phone Number

It's tough having a mom or dad in prison. Your participation will help Angel Tree children stay connected with their parents behind bars. And that's a very valuable investment!
