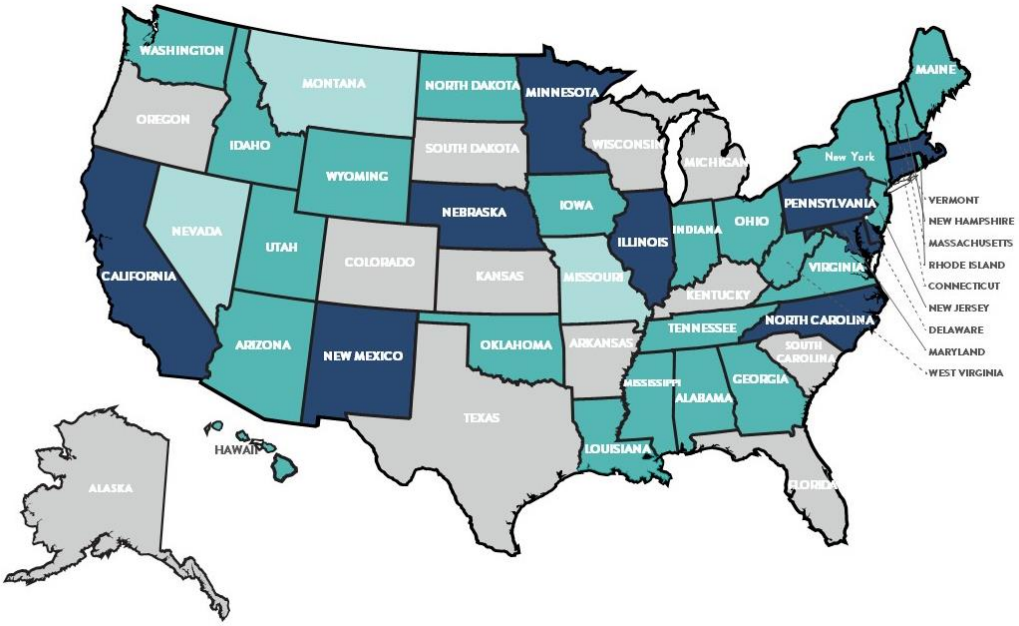
COVID-19 Vaccines in Prisons

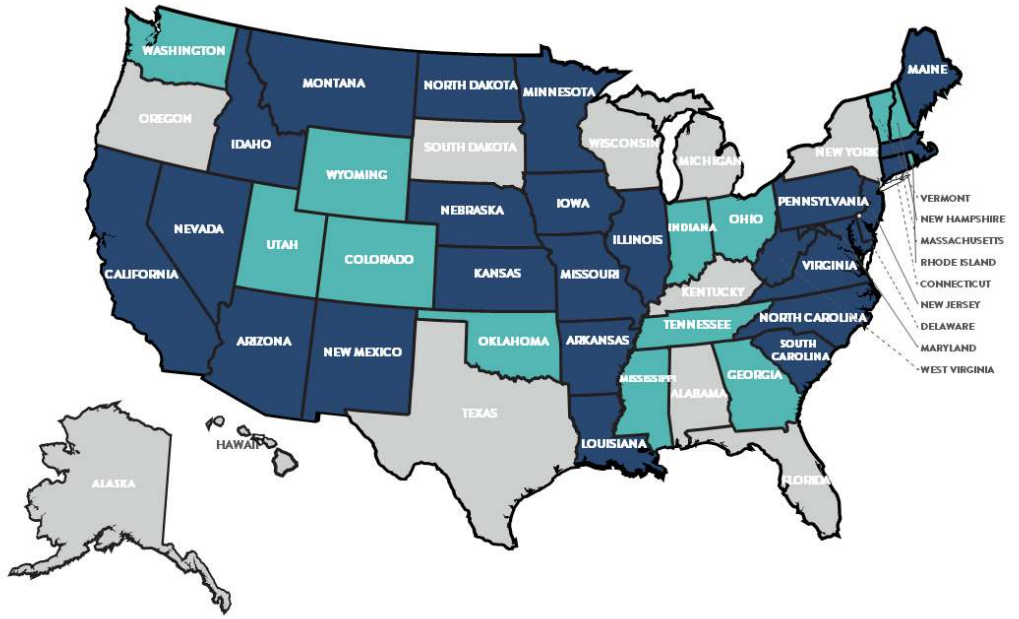
PRISON FELLOWSHIP

The Center for Disease Control released guidelines which divided vaccine distribution into three phases. States were then asked to propose plans for distribution based on those phases. The maps below indicates where the vaccination of prisoners and correctional officers have been placed within each state's respective phased rollouts.

Vaccination Plans for Prisoners



Vaccination Plans for Correctional Officers



Phase 1 - Potentially Limited COVID-19 Doses Available

Phase 2 - Larger Number of Doses Available, Supply Likely to Meet Demands

Phase 3 - Likely Sufficient Supply
