Have You Heard of the Four Fantastic Facts?

The popular and practical *Four Spiritual Laws* is now available in a fun, illustrated booklet designed for elementary-aged children. Written in simple language that children can understand, it presents the Gospel as four facts instead of four laws. We believe this will soon become one of your favorite tools for children's ministry and a tool that older children can use with their friends.

"I LOVED it because I've always wanted to read the Bible but dislike reading! This made it easy."
 —High School Student

ONE HOPE

Child and Caregiver booklets will automatically be sent to your church based on the families you are assigned, if you elected to receive Gospel materials when registering.

The Big Rescue (Ages 0-4) | Designed specifically for younger children or those with low literacy. Children walk through important Biblical stories including creation, the fall, the giving of the law, and the life of Christ. Large, colorful pictures are accompanied by 2-3 short and easy-to-read sentences along with several questions for children to consider as they seek to understand God's big story and how they fit into it.

No Matter What (Ages 5-9, Grades 1-4) | Designed for early readers who have recently lived or are living through a traumatic life experience. Through Bible stories, children will be shown God's love for them and that He is present in the midst of difficulty. Includes fill in the blanks, colorful illustrations, and "Think About It!" sections.

#FollowMe (Ages 10-13, Grades 5-8) | A colorful layout coupled with eye-catching images all combine to make this engaging and fun for middle school readers. Readers follow a journey through Scriptures that emphasize God's love and purpose for their lives. Additionally, the book features a Blippar app that enables readers to interact with the book using a smart phone or tablet to "Blip" the page to life and provide additional, related content online.

No Filter (Ages 14-10, Grades 9-12+) | Designed for teens and encourages readers to be "transparent, unedited and authentic." It features a rich combination of illustrations, colorful photography and novelty fonts. Additionally, the book features a Blippar app that enables readers to interact with the book using a smart phone or tablet to "Blip" the page to life and access additional digital content online.

Book of Hope – Caregivers Edition | Designed to help the caregiver address the specific needs of the child(ren) in their care, as well as their needs as the primary caregiver. It suggests resources and gives tips on letter writing, visiting prison and calling the incarcerated parent while combining the Gospel with contemporary stories that relate to the heartfelt needs of the caregiver, too.

Prisoner Freedom Edition | For incarcerated adults, this edition addresses felt needs like hopelessness, rejection, fear, and loneliness and introduces the truth about reconciliation, forgiveness, and freedom. Includes testimonies from former prisoners who have turned their lives around, coupled with stories of Paul, David, Joseph, and Jacob. The Gospel message and steps to salvation are included along with a study guide. Available for churches that have a prisoner correspondence ministry.
