

## Help Out with Angel Tree's Letter-Writing Club!

At Christmas our Angel Tree® program helped incarcerated parents give Christmas gifts to their children. And now Angel Tree wants to help those children stay in touch with their incarcerated parents.

### **So we are forming an Angel Tree letter-writing club. And you can help!**

All children who participate will get their very own letter-writing kit—which includes letter ideas and other special activities.

They will also get to come to special letter-writing parties. It's a fun way to get them into the habit of writing regularly. And it will also give them more exposure to the love of Jesus Christ.

**Our first letter-writing party is on \_\_\_\_\_.**

There are several ways to help!

- Join us at the party to help children write their letters.
- Plan and facilitate “ice breaker” activities.
- Provide light snacks for the party.
- Provide transportation for children who need it.
- Share the Gospel message at the party.
- Donate greeting cards (with envelopes).
- Donate first-class stamps.

If you can help, please call \_\_\_\_\_ at \_\_\_\_\_.

It's tough having a mom or dad in prison. Your participation will help Angel Tree children stay connected with their parents behind bars. And that's a very valuable investment!
