... AND LEADS TO RESTORED LIVES.

Help prisoners' children smile this Christmas as they discover God's love and reconnect with the incarcerated parent.

Angel Tree is the perfect opportunity for you to share the hope of Christ with prisoners' children.

Right now, an estimated **2.7 million children** have a mom or dad in prison. Many live with the loneliness and shame that come with having an incarcerated parent. Some even follow their parents' destructive path to prison.

But it doesn't have to be this way.

Make A Difference With Angel Tree

Angel Tree® is a Prison Fellowship® program that gives incarcerated parents a pathway to strengthen and restore their relationships with their children and families. Through partnerships with local churches and community organizations, hundreds of thousands of children receive a Christmas gift, the Gospel message, and a personal message of love on behalf of their incarcerated parents every year. In addition, many Angel Tree churches meet the physical, emotional, and spiritual needs of both children and families through year-round ministry such as camping and mentoring.

I can only thank God that there are people in the world who care about us and take their calls and ministries seriously enough to reach out. —Steve, an Angel Tree dad

Going beyond Christmas

For you and your church, that first Christmas connection can be the beginning of an ongoing, restorative relationship with a hurting child. You can help these precious children grow in their faith, strengthen their relationship with their incarcerated parent, and fulfill the purposes that God has for their lives.
