An Introduction To Angel Tree®

We are excited that you have chosen the Angel Tree program as a ministry of your church.

Angel Tree is a program of Prison Fellowship® that serves incarcerated parents by mobilizing the church and local community to share the love of Christ with their children and families. Founded in 1982 by a former prisoner who witnessed firsthand the strained relationship between prisoners and their children, Angel Tree has grown to become the largest national outreach to the children of prisoners.

Christmas is the perfect time and opportunity to take the first step with Angel Tree. Volunteers from your church or organization will purchase and deliver gifts to prisoners' children on behalf of their incarcerated parents and share with them the hope of the Gospel. Some churches and organizations also decide to take the next step and envelop these children and their families into the life of the church through a year-round relationship and other ministry opportunities.

Thank you for your partnership. We look forward to seeing God change many lives through your participation in Angel Tree.

Prison Fellowship's Statement of Faith

The Foundation of What We Believe

As a Christian organization, Prison Fellowship believes in the full authority of the Bible as God's inspired word and the complete tenets of the Apostle's and Nicene Creeds.

We believe in one God, Creator and Lord of the Universe, the co-eternal Trinity; Father, Son, and Holy Spirit. We believe that Jesus Christ, God's Son, was conceived by the Holy Spirit, born of the Virgin Mary, lived a sinless life, died a substitutionary atoning death on the cross, rose bodily from the dead and ascended to heaven where, as truly God and truly man, He is the only mediator between God and man. We believe that the Bible is God's authoritative and inspired Word, without error in all its teachings.

How We Are Compelled to Live and to Act

We believe that Christians, both individually and corporately, must submit to the Bible, as God's authoritative, divine and inspired Word, in all matters of belief and conduct.

How Our Mission and Our Approach is Shaped

Prison Fellowship exists to bring glory to God and share His truth and love with those we serve, our employees, volunteers, and communities, according to Scriptural truths.

Our Mission is to help restore those affected by crime and incarceration. This Mission is founded on the Biblical conviction that all people are created in God's image and that no life is beyond God's reach.

Therefore, we believe that a restorative approach to prisoners, former prisoners, and all those affected by crime and incarceration reflects the God-given dignity and potential of every person and can help individual lives and communities flourish.

What the Hope of Jesus Means for Others

We believe that Jesus—Himself brought to trial, executed, buried, and brought to life again—offers hope, healing, and a new purpose for each life. He can make even the most broken people and situations affected by crime and incarceration whole again.

What this Means for Communities

Through an amazing awakening to new hope and life purpose available through Jesus, those who once broke the law are transformed and mobilized to serve their neighbors, replacing the cycle of crime with a cycle of renewal that restores entire communities. Because the Bible calls us to remember and visit those in prison, we believe that every Christian is compelled to contribute to this restorative cycle.
