

# Announcing Angel Tree's Letter-Writing Club!

At Christmas, Angel Tree® helped deliver a gift, the Gospel, and a personal message to your child(ren) on behalf of their incarcerated parent. And now Angel Tree wants to help your child(ren) stay in touch with their incarcerated parent.

## **It's easy when they become part of Angel Tree's Letter-Writing Club!**

All children who participate will get their very own letter-writing kit—which includes letter ideas and other special activities they can do with their mom or dad through the mail.

They will also have a chance to attend special letter-writing parties, where they can enjoy fun activities and get help writing letters. It's a fun way to get them into the habit of writing regularly.

## **Our first letter-writing party is coming up!**
