

THE PROBLEM

Prison Culture

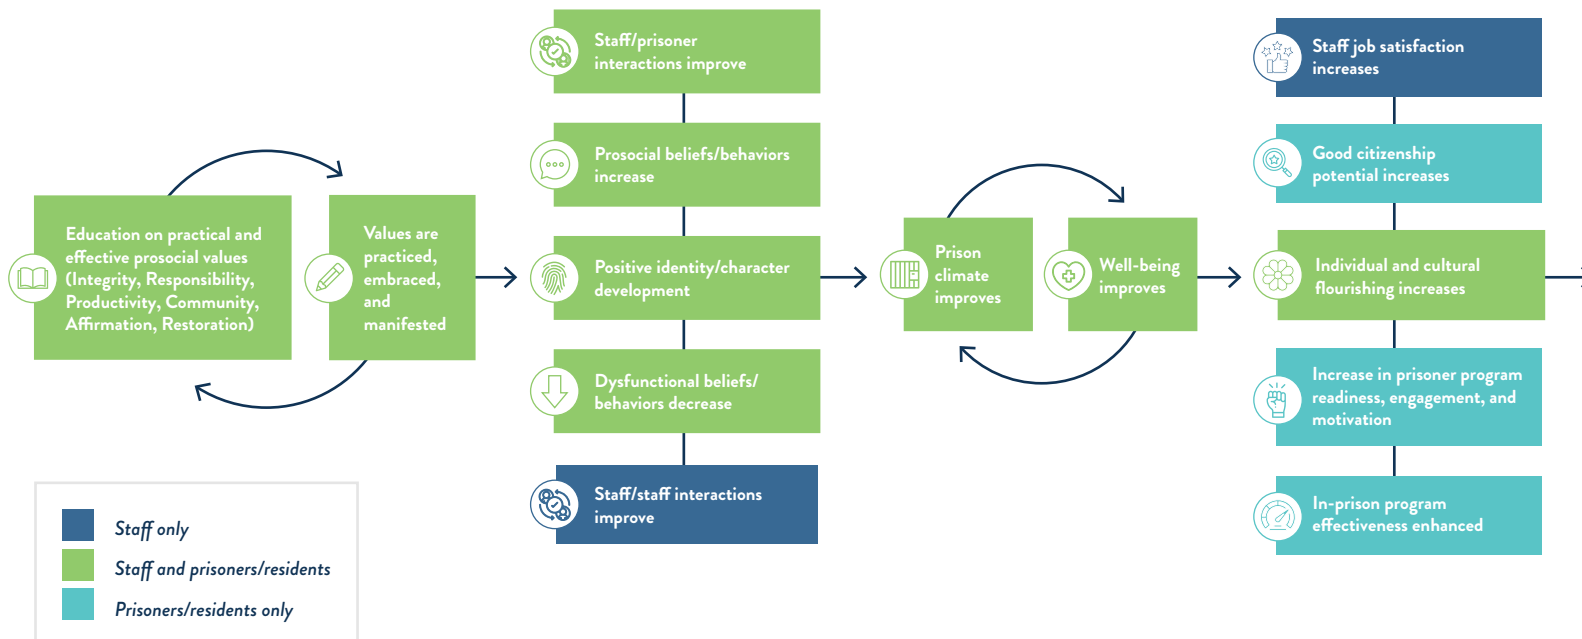

Dysfunctional prison culture lacks a cohesive and prison-wide embrace of guiding prosocial values and (as a consequence) negatively impacts staff, prisoners, and outcomes.

Consequences for staff include: reduced well-being, sense of community, and job satisfaction; increased incidents, absenteeism, and turnover.

Consequences for prisoners include: reduced program impact, role models, and sense of support and safety; increased incidents.

THE SOLUTION

Good Citizenship Model™

PRISON OUTCOMES/ RATES IMPROVE

Incident rates (staff and residents)

Staff turnover

Prison program effectiveness

Post-release outcomes

Post-release civic activity

Post-release meaningful community roles

Meaningful in-prison roles held by lifers
