NEW BEGINNINGS

HOSTED BY:

As Christian women, we want to live a life that's authentic and self-reflective. But our lives are busy, and it's so easy to be distracted. If we're honest, we often feel stuck.

What if a ten-week journey could be a brand-new beginning? Through *Create: New Beginnings*—a program created by women for women—you'll reflect on your story, explore your emotions, and deepen your relationship with God. As you complete ten simple art projects, you'll see how creativity works as a tool to tap into your past—and change your future.

Whether you're an experienced artist or you've never picked up a paintbrush, *Create: New Beginnings* is for you. Sign up today!

Search me, God,
and know my heart.
